Hindu Jagaran Vedike's Janajagruthi Yatre

City Police deny permission,

impose ban orders from 6 am to 12 midnight

Mysuru, Oct. 29 (RKB&DM)- The City Police have denied permission for a public meeting and a bike rally of Hindu Jagaran Vedike (HJV) in city this afternoon, demanding a ban on the Popular Front of India (PFI) and handing over cases relating to death of activists of Hindu outfits to the National Investigation Agency (NIA).

As a precautionary measure, the Police have promulgated prohibitory orders under Section 144 of Cr.PC from 6 am to 12 midnight today, along the route of the bike rally and areas in front of Kote Anjaneyaswamy Temple, the venue of the proposed meeting.

The Vedike had planned to take out a bike rally as part of Janajagruthi Yatre from Kyathamaranahalli Tent Circle at 3 pm and pass through Udayagiri Circle, Gandhinagar, N.R. Mohalla and Shivaji Road, before culminating at Fountain Circle.

As the venues were highly sensitive, permission was denied and prohibitory orders were clamped at the aforementioned places, according to sources in the Police Department.

The Police erected barricades along the rally route to check unlawful assembly of people.

Venue shifted: As the Police have given permission to hold the meet at a different venue, the Vedike shifted the venue to a space in front of the City Law Courts Complex, according to Vedike District Convenor Bogadi Kumar. The meet was yet to begin when we went to Press.

EDITOR'S BOTTOMLINE

A number of people I know go on fasts, every now and then. Some of them do it for religious reasons, during the Navratras, or Muharram, or Easter. But others fast — refrain from eating all foods, or certain kinds of food — for reasons of health. They believe — and popular medical lore supports their view — that such periodic abstinence helps the body to get rid of the toxins that have built up in it. Moreover, such fasting can also have psychological benefits in that the mind, freed from the daily routine of eating more out of habit than hunger, can focus on itself with greater clarity, without distraction. A few even go to the extent of foregoing the daily diet of conversation and undergo a discipline called *vipassana,* ***in which one refrains from speaking to anyone for a fixed number of days, generally a week.***

I've never tried any of these practices, but I'm told by those who have that they have many beneficial effects, both physical and mental. And I'm sure that they do. Which makes me wonder if what we need even more than going without food or speech for a while is going without using any of the various gadgets, like cellphones and computers, that have become an indispensable part of our daily regimen, as much as food and drink are: what we need to do is to digitally detox ourselves, from time to time. We need to go on an *electronic vipassana.* ***Switch off our TV sets and our cellphones. Don't check our e-mail, or Facebook, or Twitter. We might well find that such*** *digital fasting* ***is more physiologically and psychologically demanding than going without food. We might find that we have, without realising it, built up a dependency on our digital devices which is as great, if not greater, than our dependency on bodily nutrition.***

Flying with Helium Balloons!

London: The Adventurists, an adventure company based in Bristol, England, offers unusual holidays to those seeking extraordinary experiences. Past projects have included, a rickshaw runs across the Himalayas etc., For their latest fundraising project, the company has taken inspiration from the critically acclaimed 2009 Pixar film "UP," tying a lawn chair to 100 balloons and getting a crazy adventurist to sit in it at 8,000 feet above ground. Tom Morgan, the founder of The Adventurists, described in a video posted to the company's *Facebook* page. But before they could start booking in clients, the idea had to be tested. With just enough helium for one attempt, Morgan and his team spent two days filling balloons. On Oct. 23, strapped to a lawn chair under 100 balloons and surrounded by safety supplies, Morgan took flight. He rose slowly at first but began to accelerate very quickly as he reached the inversion layer of the atmosphere. Morgan reached a height of 8,000ft and travelled 25km (15.5 miles) altogether in his two-hour flight. He described the experience as "unbelievably cool."

Magic Mirror!

Ankara: A new high-tech mirror, designed specifically for cancer patients, will only become reflective when a user smiles into it.

The plug-in device, resembles a tablet, comes equipped with a mirror, a built-in camera, and an opaque smart material triggered by propriety software. Facial recognition technology captures the face and prompts the surface of the mirror to change when a smile is detected. It can hang or sit on a table, much like a conventional mirror. After witnessing a close family member struggle through cancer treatments, Turkish industrial designer Berk Ilhan decided to focus on products that would cultivate joy and benefit cancer patients directly. He spent two years designing and developing the mirror, the idea behind it being that smiling, even when forced, can genuinely make us feel better. Laughter is linked to improved immune system function, and some researchers claim it can even increase our lifespans.

Earwax slowly moves itself out of your ear canal by the action of chewing your food. When you chew, your jawbone causes the ear canal to move. The earwax dries and falls out on its own.

Battery car in City Rly. Station: Whom does it serve?

Sir,

In the last few months, I have been travelling to Chennai and other places frequently by train. Here I wish to share my experience regarding the battery car facility provided by the Railways to help the senior citizens, physically handicapped, patients and the infirm.

On more than six occasions I tried to make use of the facility but I succeeded only once with much difficulty when it was slightly drizzling. I noticed the battery car on platform No.1 and called the phone number and the driver replied that it was raining and the brakes will fail and asked me to wait till the rains stopped.

Again after 15 minutes I called him and requested him that the train will depart and I might miss the train. After another 15 minutes he appeared from nowhere busily talking over his cell phone. Again he said rain problem but I insisted on him to drop us at platform No. 6. Reluctantly he accepted and dropped us at the specific point.

But, throughout the ride the driver was engaged in conversation over phone. I wondered how there can be rain in the covered platform or subway. The battery car operator continued to play truant with us every time we tried to get in touch with. He started giving excuses or even getting angry when asked for his superior's phone number.

Generally, the electric cars do not go out of order so frequently (my experience) except for charging of the battery.

Contrary to this, at Chennai Central (very crowded and busy station) a number of battery cars were making continuous, hassle-free trips.

I am surprised why there is no monitoring of the drivers and mechanism to regulate the trips in City Railway Station? It is better to withdraw the facility and save the huge expenditure for transporting a few passengers at the whims and fancies of the drivers. Hope the authorities will take appropriate action.

Testing, evaluation of educational system must be foolproof: Prof. Aurora

Prof. L.N. Aurora, former Director of UoM Prasaranga, is seen inaugurating the National Seminar at CIIL on Oct.26 as (from left) Prof. P.R.D. Fernandez, Prof. D.G. Rao, CIIL Director and Prof. P. Perumal Samy look on.

Mysuru, Oct. 29 (NNN) - The testing and evaluation of education system and languages are multi-faceted and one ought to make the pattern of our evaluation and assessment more authentic and foolproof, said Prof. Lakshminaryan N. Aurora, former Director, Prasaranga, University of Mysore (UoM).

He was speaking after inaugurating a two-day National seminar on *"Current trends in testing and evaluation,"* organised by National Testing Service - India (NTS-I), Central Institute of Indian Languages (CIIL), here on Oct. 26.

He said, "If we do not have proper testing and evaluation measures, it becomes very difficult to assess the results or outcome of the teacher-learning process and thereby the quality and efficiency of the teacher on one hand and the learner on the other cannot be satisfactorily assessed."

Hence, he said, one has to be more innovative in exploring methods for testing, evaluation and assessment. However, he rued that often one ignores or gives less importance to test less tangible concepts like attitudes, interests, appreciations and personal social adaptability of the students.

He pointed out that besides traditional learning methods in formal academic institutions and Universities, there are correspondence courses, distance learning programmes, massive online open courses, virtual Universities, which make use of desktops, laptops, iPads, tablets as well as smart phones. "Internet and customised intelligent software have gone a long way in accomplishing this objective," he said.

CIIL Director Prof. D.G. Rao delivered the Presidential address. Professor-cum-Deputy Director Prof. P.R.D. Fernandez, Head, NTS, India welcomed, Pankaj Dwivedi, Officer NTS-I briefed about the programme. Professor-cum-Deputy Director Prof. P. Perumal Samy proposed a vote of thanks. Dr. R. Shankuntala compered.

State Safai Karmachari Commission Chairman holds review meeting

Karnataka State Safai Karmachari Commission Chairman M.R. Venkatesh (second from left) is seen holding a meeting of officials at the Deputy Commissioner's Office in city yesterday.

Mysuru, Oct.29 (US&PM)- Karnataka State Safai Karmachari Commission Chairman M.R. Venkatesh chaired a review meeting on Pourakarmikas of the District at the Deputy Commissioner's office here yesterday. The auditorium was jam-packed with Pourakarmikas and officials.

Participating in the meeting, Dalit Sangharsha Samithi (DSS) leaders alleged that manual scavenging was still prevalent at a few places though the government claims that it is extinct. Many Pourakarmikas complained that they were not being paid statutory benefits like PF and ESI adding that even salaries were not paid on time.

Addressing the meeting, Venkatesh said that a State-level meeting of Safai Karmachari Monitoring Committee would be held next month in view of conducting a survey of Pourakarmikas across the State.

Stating that the survey would ensure Government benefits to Safai Karmacharis, he said that he would instruct the officials to provide substantial report on manual scavenging, if any, in the district.

DSS Convenor Nanjappa alleged that about 70 families of Pourakarmikas living in Hebbal were on the threat of eviction by an influential person to develop the land.

Venkatesh asked ZP CEO P. Shivashankar and Joint Director of Social Welfare Department Prabha to investigate the matter.

Deputy Commissioner D. Randeep, Assistant Commissioner Shivegowda, Safai Karmachari Commission Members Gokula Narayanaswamy and Meenakshamma, MCC Commissioner G. Jagadeesha and others attended the meeting.

Let a Pourakarmika inaugurate Dasara next year

Pourakarmika leader R. Krishna suggested that Dasara festivities should have been inaugurated by a Pourakarmika without whom the city would not have got the cleanest city tag twice. He hoped that the request would be considered next time for Dasara.

Failure to provide safety gears to Pourakarmikas

Commission to file cases against MCC, Zoo and Palace Board

Contract workers engaged in laying new UGD line without safety gears at Vidyaranyapuram yesterday.

Mysuru, Oct. 29 (US&PM)- Karnataka State Safai Karmachari Commission has decided to file cases against the heads of Palace Board, Zoo and Mysore City Corporation (MCC) for failing to provide safety gears like boots and hand gloves to Pourakarmikas.

Disclosing this at a press meet at DC's office here yesterday, Commission Chairman M.R. Venkatesh said that both regular and contract Pourakarmikas were forced to work without safety aids under MCC limits. He further said that the contractors were filling up their rolls with fraudulent entries to boost the attendance and added that action would be initiated against such contractors.

Continuing, Venkatesh said that a scholarship of Rs. 500 per month would be given to children of Pourakarmikas studying from 1st standard to Post-Graduation along with 5% reservation for them in Government residential schools.

A separate Safai Karmachari Development Corporation has been established to ensure welfare of Pourakarmikas, he said and added that the Government had released Rs. 87 crore for the Corporation.

"I hold honour and duty above material gains"

There are scores of Indian women with their remarkable and selfless work to the society who are becoming role models. Be it an autorickshaw driver, bus driver or women heading NGOs, driving metro trains, joining the armed forces, they are conquering new frontiers. One such woman Dr. Seema Rao **was amidst us last month on an invitation by Confederation of Indian Industry (CII)-Young Indians (Yi) and Namma Mysuru Foundation for a Leadership Session. She had come along with her husband** Major Deepak Rao. **Popularly called the Combat Couple, Dr. Seema Rao from Mumbai, is also called the 'Wonder Woman.'** *Star of Mysore* **Features Editor N. Niranjan Nikam caught up with this multi-faceted personality at** *Hotel Radisson Blu,* **after her lecture, where she spoke about her passion, why they train the Commandos without compensation, participating in the** *Mrs. India World* **beauty pageant, the highs and lows in her life and her mantra for success. Excerpts. —Ed**

By N. Niranjan Nikam

Star of Mysore (SOM): Just seeing what you have achieved, it is no wonder that you are called India's Wonder Woman. Can you please share with us how this title came about?

Dr. Seema Rao: I have absolutely no idea how this title came to me. The press has christened me as the first and only woman commander-trainer which is, of course, true. But as far as the 'wonder woman' thing is concerned, I guess it is because I have always been training the Commandos, which is unusual for a woman, at least in India. It may also be because of the other things that I have done.

SOM: Apart from being a Doctor in conventional medicine, you have an MBA in Crisis Management. How much of this you use in your training?

Dr. Seema Rao: Actually what I have learnt is used for the training courses. There are different aspects. If you take medicine it is also about understanding which are the areas of the human body that can be handicapped, where you can maim very badly or where you can hurt or even kill. It is the knowledge of medicine and human body that has helped me in understanding vital areas in the body, where one can strike to achieve the desired effect. So, crisis management is also about dealing with survival instinct. Everything that I have studied and learnt I have tried to apply and put into my professional commando training.

SOM: You have patented Rao System of Reflex Fire — an innovative method of shooting at close quarters. Why was the Army not able to innovate this?

Dr. Seema Rao: I have a patent pending on my method. This method was developed by Major Rao and me, while training 15,000 soldiers from various forces, at different locations. All our life's work was with the Indian forces only. Hence, the credit goes to the Forces itself, without which nothing would have been possible.

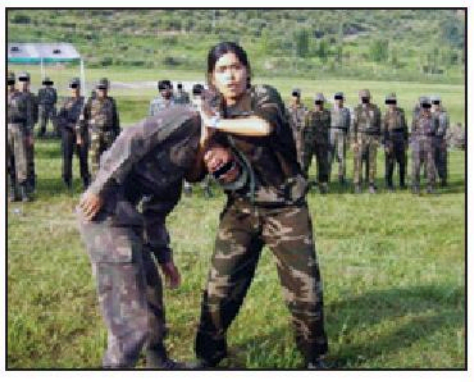
SOM: The then Home Minister Chidambaram has approved you and your husband to train all State Police in CQB (Close Quarters Battle) without compensation. Why would you do such hard training without compensation?

Dr. Seema Rao: The Home Ministry had outsourced trainers. I would like to answer from a philosophical point of view; my father was a freedom fighter, so, I grew up listening to stories and his experience during those days and it would be laced with emotions. He wanted to do so much for the country and I too wanted to do something for the country in whatever way I could. Besides this, there is another aspect — honour and duty, the two attributes which I hold above materialistic gains. I do not deny that money is required for a decent living but the two attributes come above monetary gains. My dad's experience must have prodded me not to charge for the training. It has been almost twenty years since I have been training the State Police in CQB.

SOM: During your growing up years, you were scrawny but you went on to be *Mrs. India World* ***beauty pageant finalist. There is a lesson for all here?***

Dr. Seema Rao: Yes, I was scrawny and had a very weak constitution when I was young. As I grew up, I learnt to work on my body and made myself strong when I learnt combat fighting. Then slowly the scrawny body turned into a strong, muscular and capable body. *Mrs. India* was a new pageant to encourage achievers, home-makers and career women. I participated because I wanted to taste the flavour of life. Life is short, if you can excel in the work you do and also try doing different things, you can experience so many more colours, instead of experiencing just one colour. I believe that life is short, the more you live it the richer is your experience.

[Continued on Page 10]



SOM: You are not only a Commando Trainer but also a Martial Combat exponent. You trace this lineage to legendary Bruce Lee art of 'Jeet Kune Do.' These are names most of us have not heard of except, of course, Bruce Lee?

Dr. Seema Rao: 'Jeet Kune Do' is holistic, an art and philosophy of Bruce Lee. It deals with fighting and the philosophical aspect is about how to use it in the time of combat and attain liberation. It is about mind, body and spirit. It is an art that helps to delve into your mind, introspect and unearth all those insecurities, which one has never sat, faced and settled. So it is deeply spiritual and philosophical art apart from being a physical and martial one.

Janaki's farewell to singing from Mysuru

SINGING SENSATION: *Nightingale of the South S. Janaki performing at the Amphitheatre in Manasagangothri in city last evening to a large crowd.*

Mysuru, Oct. 29 (YDS&NNN)- The much-awaited S. Janaki Musical Nite was a resounding success as Mysureans gathered in large numbers to pay their respect to the singing legend, who bid goodbye to singing, from the magnificent Manasagangothri stage, the seat of learning.

S. Janaki, touching 80, enthralled the audience with her melodious voice, singing as though she was a 20-year-old at Manasagangothri Amphitheatre here last evening. The fund-raising event organised by the S. Janaki Charitable Trust and S. Janaki Furnitures and Timbers saw the other legends of cinema in attendance. There was much bonhomie and banter as the yesteryear stars like Jayanti and Bharathi joined the singing sensation on stage.

There was also Music Director Rajan of the Rajan-Nagendra fame on the stage for a short time as he sat immersed listening to the tunes he had scored.

She began her concert invoking Lord Ganesha from the 1986 movie *'Preethi,'* song *'Gajavadana neene gunasagara.'* The *bhakti* mood continued in the next song *'Poojisalende hoogala tande,'* from the 1974 movie *'Eradu Kanasu,'* followed by *'Aaseya Bhava Olavina Jeeva Ondagi Bandide,'* from the movie *'Mangalya Bhagya,'* which had the audience in raptures wanting for more.

The repertoire of songs from films like *'Narada Vijaya'*, *'Jedara Bale,'* Nanda Deepa's *'Gaaligopura,'* all super hits during their time, which people continue to cherish even to this day, had the spectators longing for more. She also sang a few songs from Tamil and Telugu films.

Fans galore: More than 10,000 people with fans from as far as Kerala, Tamil Nadu and Andhra Pradesh witnessed the Musical Nite.

However, a few of the fans were disappointed with the seating arrangements. Padma Raman, a senior citizen, who had come all the way from University Layout near R.T. Nagar told *Star of Mysore*, "I had paid Rs.900 since it was a charity show and came all the way. I had requested the organisers when they had come with the ticket to my house that I could not climb the steps and should be accommodated in a convenient place. But, when I reached the venue at 4.30 pm, no one obliged me. I was made to go all the way to the top where the entrance was and I had to come down the flight of stairs with great difficulty."

JD(S) MP C.S. Puttaraju, MLCs Appaji Gowda and K.T. Srikantegowda, Corporator K.V. Mallesh, humorist and former St. Philomena's College Principal Prof. M. Krishnegowda, veteran actor Rajesh, actors Pratima Devi, Shylashree, Harini Rao, Anirudh, Sharan, BJP leader Dr. B.H. Manjunath and others were present.

I will not sing anymore...

This is my last performance. I will not sing in the future anywhere, said the singing sensation S. Janaki. Since the last ten years, Naveen and Praveen of S. Janaki Furnitures and Timbers had been requesting me to sing in Mysuru. Since I was busy, I was not able to perform. However, the time has come today and this is my last programme, she said. "I will be turning 80 shortly. From 1957 till now I have sang more than thousand songs in the last 60 years. I will not be able to sing as I used to sing. I will try to sing to the best of my ability. Thousands of people have gathered here to shower their love and affection and it has brought me immense happiness," said Janaki.

Do not videograph: Please do not videograph this programme on your mobile phones and upload it on social media. I have fans even abroad and I do not want them to think how badly Janaki is singing. I will earn a bad name, she appealed to the audience.

It is Janaki Amma who was responsible for my growth. Though I wanted to see her, it had not been possible. Today, I have been fortunate to meet her. Let God give her healthy and a long life."

—Veteran Actress Bharathi Vishnuvardhan

My heroine is S. Janaki. She has made me a star by singing for me in my movies. However, it is not right that she is bidding adieu to singing. Amma should be singing and I should be listening."

—Veteran Actress Jayanthi

Dog Show attracts pet-lovers

Nagendra, BJP leader Yashaswi Somashekar and industrialist Mahesh Shenoy at the inauguration of National-level Dog Show in city this morning. Picture right shows the proud owners of Great Danes that took part in the event.

Mysuru, Oct.29 (MTY&NNN)- Man's best friend is a dog as it is known for its loyalty and companionship with humans and this was so much in evidence at the National-level Championship Dog Show as the dogs vied with one another for the best spots. The Dog Show organised by the Canine Club of Mysore, affiliated to Kennel Club of India, began at the Scouts and Guides Grounds here this morning with nearly 286 entries and 30 exotic breeds of dogs in the competition.

The prices of dogs ranged from as little as Rs. 20,000 to a few lakhs. The dogs breeds like Miniature Pinscher weighing as little as three kgs to the powerful Great Dane weighing 130 kgs were all on show. Since this was the National-level Championships, people with their dogs had come as far away as from Delhi and Rehana Sultana a Delihite had come with five to six breeds like the German Shepherd and Afghan Hound. Afghan Hound, owned by Uday Joth from Pune and whose trainer is German, named Lily, takes part in all the Dog Shows across the country.

Selvam and Kuttan from Kochi with their German Shepherds, Kumar and Sridhar from Ooty, also with their German Shepherds, were seen vying for the top spots. However, it was Mysuru's own Vinod whose German Shepherd that was the champion in its category.

The dogs' names like Poker, Prince, Dieve, Paper, Bruno, Brono, Deem, King, Thunder, Chua, Anto, Cash, were all cute and catchy as the owners kept calling them out and fondling them.

The varieties of dogs were mind-boggling like the German Shepherd, Boxer, Bull Dog, Dobberman, Great Dane, Rottweiler, St. Bernard (long hair), St. Bernard (short hair), Bull Terrier, Pug, Akita, Dachshund miniature (long hair), Dachshund Standard, Golden Retriever, Labrador Retriever, Shih Tzu, Whippet and Desi breeds like Mudhol, Rajapalayam, Chippiparai, Pashmi and Kanni.

As this is the selfie-age, everyone including the spectators were seen taking selfies with the pets and posing for photographs. Since the weather was hot, there were huge ice blocks kept and the dog owners seen bringing the ice cubes for the dogs to lick to quench the thirst. They were also sprayed with water every now and then. The air condition in the cars were switched on and the dogs kept inside in the cooler environs till they came to participate in the competition. There were also dog food stalls displaying variety of dog foods. The competition will go on till late in the evening and only then the results declared, said one of the organisers.

ATI back in news: Trainees fall sick consuming contaminated food; complain to CM's office

Mysuru, Oct. 29 (SBD&NNN)- The Administrative Training Institute (ATI) on Lalitha Mahal Road though is set up in the sylvan surroundings, is once again in the news for all the wrong reasons.

A trainee in a written complaint to the Chief Minister's Office has alleged mismanagement in the premium-training institute and the substandard food served.

There are nearly 200 Gazetted Probationary Officers undergoing training since the last 15 days. However, it is learnt that since the last one week many of the trainees have fallen sick consuming contaminated food and are being treated.

A female trainee had fallen seriously ill and was treated in a local hospital and then shifted to a hospital in Bengaluru for more treatment, about three days ago. A complaint in this regard has reached the CM's office and from there, the ATI office has received information, it is said.

ATI Joint Director (Training) Bhagyalakshmi visited the hostel last night and discussed the problems with the trainees and heard their grievances. However, she told *Star of Mysore* that there were a few health problems but nothing to get anxious about.

She said that she is going to forward the complaints to the Director General and the Chief Minister's office.

Substandard food

It is being said that substandard and contaminated food is being served at the ATI.

The food is infested with worms and plastic. The water contaminated with mud is flowing from the taps. As a result, the trainees are falling sick and being treated as outpatients.

Even though the matter was brought to the notice of the higher-ups and since no action has been taken, the issue has been escalated to the CM's office, said the sources in the Institute.

Is there something wrong with administration?

Is something wrong with the administration in the Institute meant to train Assistant Commissioners, Tahsildars and other higher ranked officers? This is the doubt that many are expressing. A few of the people who had served in University of Mysore had managed to get postings here, after their retirement and are controlling all the activities. In turn, the officials who have been serving there for a long time are being sidelined, it is alleged.

However, another source said that since the administration in the Institute had gone from bad to worse, a few of upright people who had served in different institutions were chosen to come and help set right the administration.

Whatever the truth, the fact remains that the trainees who have a lot of hope in their careers and hoping to make a mark are finding that the atmosphere in the Government-run agencies are not all that healthy, right in the beginning of their careers.

Now, crocodile spotted on Thandi Sadak Road

A file photo of a crocodile that strayed into Kuppanna Park.

Mysuru, Oct. 29 (MTY&NNN)- Even as a leopard cub straying into the Mysuru Zoo is still fresh in memory, comes the news of a crocodile finding its way on to the middle of a road, here in the wee hours of Saturday.

The incident came to light, when the Police night patrol Garuda team was on their night rounds on Thandi Sadak Road adjoining Karanji Lake around 2 am.

The team spotted a hump and wondered how an incomplete road hump could appear. Once the car's headlights shone on the object, to their surprise and shock, they found a six-foot long crocodile lying on the road.

The Police immediately brought it to the notice of the Mysuru Zoo night staff, who in turn informed the Zoo Executive Director C. Ravishankar. He rushed to the spot along with his staff and spread a net on the crocodile. Before that they threw a cloth on the eyes of the crocodile and trapped it in the night.

"We released the female crocodile into Gende Hosahalli forest island near Srirangapatna. The crocodile must have strayed from Karanji Lake. There are nearly 12 crocodiles in the Lake," said Ravishankar speaking to *Star of Mysore*.

Luckily, the Garuda night patrol team found the crocodile in the middle of the night lying on the road. If only it was still lying there early in the morning then the early morning walkers and joggers on this lovely stretch of road, would have been in trouble as they could have accidentally stepped on it.

"This road is not well lit as there are hardly any street lights," said Ganesh Rao, a resident of Siddhartha Layout who is also a morning walker.

Crocodile in Kuppanna Park: It may be recalled that a healthy two-year-old male crocodile was found in Kuppanna Park just two weeks ago (Oct.11), where the Flower Show had just concluded.

The Forest officials had rescued the reptile and released into Gende Hosahalli forest island near Srirangapatna.

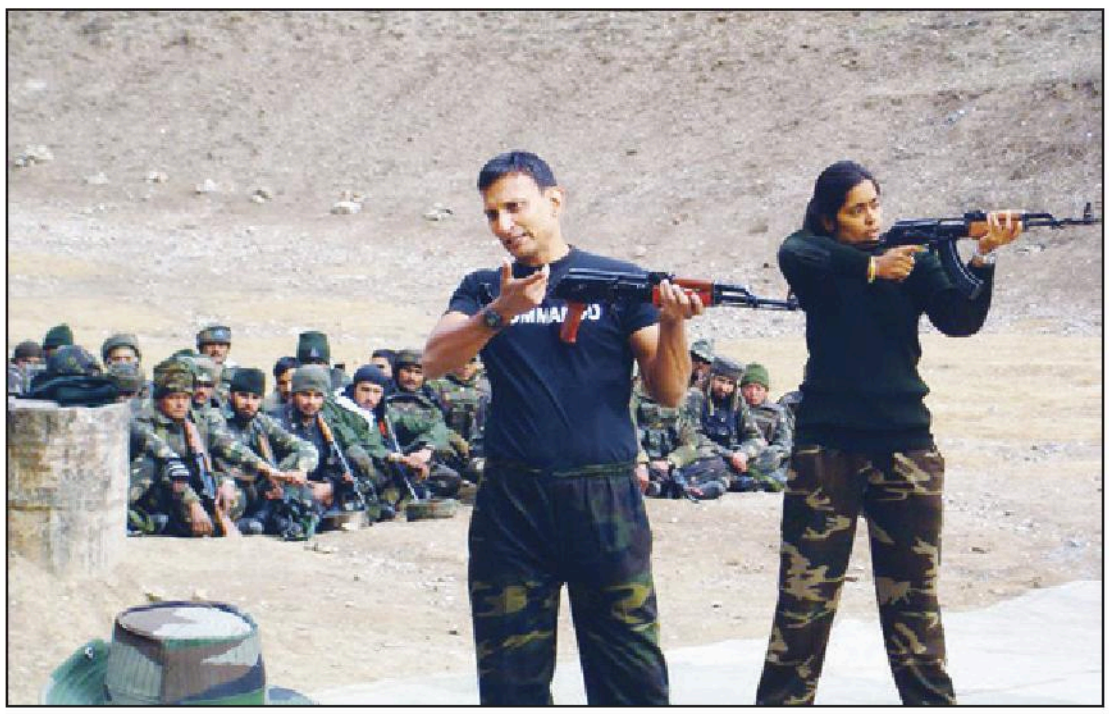
INTERVIEW WITH 'WONDER WOMAN' DR. SEEMA RAO

"I hold duty above material gains"

[Continued from Page 6]



A file photo of Dr. Seema Rao and her husband Major Deepak Rao, who have developed a unique and modern method of CQB, exclusively for the use of Indian Forces.

SOM: You missed the Rank, which the President of India conferred on your husband Major Deepak Rao, because there was no provision for it for a woman. Now that we have a lady Defence Minister can this be set right?

Dr. Seema Rao: *(Smiles)* I would not want to discuss about the resolutions and policies of the government. I am only too happy that my husband Major Deepak Rao got the award. He received it for the work we have done for twenty years. I was absolutely ecstatic, happy and triumphant. I never look at it as his and not mine, but as reward that both of us received. As far as the government is concerned, it is up to them and I don't feel hurt. There is a saying in the Bhagavad Gita *'Karm karo phal ki chinta mat karo.'* If you want recognition you should continue to do your work well. One day it was recognised and I felt good even though only my husband got it.

SOM: You have written more than eight books including Handbook of World Terrorism and Encyclopedia of Close Combat. But there is a curios title** King Sperm. **What is this about?

Dr. Seema Rao: The title of the book is *'A King Sperm - Seize your Victory'* which is philosophical and the story of our lives. It is everything about how our journey started. What kind of person was Major Rao and I, how we conquered and overcame our obstacles we faced in our lives like bankruptcy. Things never went right for us and luck played no role in our lives. We had to fight every moment to achieve what we wanted and stand against all odds. But the best thing that happened was we bonded together. Often in the army it looks for an 'ideal buddy pair' to be in the battle field. A pair well-synchronised who can follow protocols and can handle any situation.

So I would say the book is all about how we single-handedly faced all odds. When one would feel low other would uplift each other's spirits to fight, that is how we could survive to fight and win. How two simple individuals not wanting to accept what life dealt for us but make some changes. It is about fighting, the spirit of changing it from failure to victory. The changes we made instead of sitting back and accepting failure. It needs the right action and perspective to change failure and turn into victory.

The title of the book *'A King Sperm - Seize your Victory'* means it is only one sperm that makes it to the ovum as not all of them are endowed to make it. So, the one who makes it despite all the odds is victorious. Every one of us can make a change and a difference.

SOM: Both of you have adopted a girl child who has now grown up. What made you take this decision?

Dr. Seema Rao: The physical demand of the job was such that we had to decide on planning for the family. It was at that time we decided against having a family of our own. Motherhood is a beautiful experience in a woman's life, but it also takes a lot of time. At that point in time I felt it was not the right time to put work aside that I was doing for the country. That is when my husband and I took a decision not to have children of our own. Later on to complete the family we decided to adopt a child. I strongly believe in women empowerment that a woman is no less than a man. Our daughter is also a doctor.

SOM: To be referred to in glorious titles is all fine. But how long do you think you can carry on this hard, tough, nerve-wracking life, especially when you look back and see that there was a time when you had to sell your** mangalsutra **to survive and you suffered a head injury followed by amnesia?

Dr. Seema Rao: Yes I did have a head injury. I seriously gave it a thought and even then I wanted to be in the same profession and not change. During the time we faced bankruptcy we contemplated to sell our gold. It was not a hasty or impulsive decision that was to sell the *mangalsutra*. Having said that every profession has its own drawbacks, dangerous or risky aspects and one has to take it in one's stride. Knowing fully well I decided to continue in the same profession.

There are two aspects: one is that age seeping into your system, so one has to train harder and has to keep a check on diet by eating the right kind of food. If you're in a physical kind of job then you have to maintain yourself even better. Apart from that we have an Academy which deals with combat fitness which is open to civilians. We train them to get fit via combat programme; it is not in anyway linked to army combat. Many corporate and young students undergo this training.

We also have another training programme called DARE (Defence Against Rape and Eve- teasing). This course is specially designed for women after rape and murders that have happened in the metros. It is self-defense, taught to fight both physically and psychologically. Psychological aspect is to deal with molester, assailant or an eve-teaser; at every stage the victim can tackle them.

You know it all starts from a stare or look, it goes on to proximity, then may be whistle coming closer, then touching, then may be voice. So, at every stage it is psychological and people can put a stop to it so that it would not reach the last step. It is very popular among the corporates and it is a day-long programme.

SOM: Your marriage has sustained for quite a long time. How has the relationship worked?

Dr. Seema Rao: We are now married for thirty years. I believe when two people come together they either can half their resources or multiply it. I believe one plus one is not two but eleven. You combine forces and multiply. Then you become a formidable force and you can take on life. How can this be done? By allowing each other to realise their goals and dreams, so I push and encourage him to reach his goals and dreams and he in turn encourages me to realise mine. So, when you are in a relationship the world becomes a great place and you achieve your goals not only materialistically but philosophically also.

This is where many people fail in their relationship. People have their distinct positives in them, like my husband may have a positive which I don't have and I may have a trait that he doesn't have. If you know that, you can still use that trait to your advantage. He shoulders responsibility so that I can pursue what I want and then I shoulder responsibilities so that he can pursue what he wants. A message to all young couples — **If you know how to channelise your relationship then you can make the best out of it.**

Mysuru, Oct. 29- A Bengaluru-based devotee of Goddess Chamundeshwari has donated gold plating to the doors of the sanctum sanctorum of the temple atop Chamundi Hill here.

WORD OF THE DAY

Guisard

Meaning: A person who wears a mask; mummer.
Origin: Guisard is a Scottish and North English word. The first part of the word, guise, in Scotland and northern England means "to appear or go in disguise." The suffix -ard, occasionally spelled -art, is now used mostly in a pejorative sense for someone who does something habitually or excessively, e.g., drunkard, braggart. Guisard entered English in the 17th century.
Example: The guisard performances are not extinct, but they have fallen so far into decay, comparatively, that we look upon them with a sort of fond regret, murmuring, " Pars magna fui," or, "In them we acted great parts." —"Yule and Hogmanay," Hogg's Weekly Instructor, Volume VI, September 1847 to February 1848

THE ODD WORD

Gorgonize
To have a paralysing or mesmerising effect on: Stupefy or Petrify.

PHRASE OF THE DAY

Play devil's advocate

Meaning: Take a side in an argument that is the opposite of what you really want or think.

Origin: A translation of the Latin phrase advocatus diaboli , devil's advocate is the popular name for the official in the Roman Catholic Church who puts the case against a candidate for canonization or beatification; he is more properly known as promotor fidei 'promoter of the faith'. 1994 Jude Deveraux The Invitation She had played devil's advocate with herself a thousand times.
Example: She had played devil's advocate with herself a thousand times. [1994 - Jude Deveraux - The Invitation]

ಸಾರ್ವಜನಿಕ ಪ್ರಕಟಣೆ

ಅಖಿಲ ಕರ್ನಾಟಕ ಬ್ರಾಹ್ಮಿನ್ಸ್ ವೆಲ್‌ಫೇರ್ ಸೊಸೈಟಿ, ಮೈಸೂರು ಮತ್ತು ಬೆಂಗಳೂರು, ಇದರ ಸದಸ್ಯರುಗಳ ಗಮನಕ್ಕೆ

ಮೆ|| ಐಶ್ವರ್ಯ ಡೆವಲಪರ್ಸ್‌ನ ವ್ಯವಸ್ಥಾಪಕ ಪಾಲುದಾರರಾದ ಟಿ. ಶಿವಪ್ರಕಾಶ್ ಆದ ನಾನು ಈ ಮೂಲಕ ಕೊಡುತ್ತಿರುವ ಜೇಳಿಕೆ ಏನೆಂದರೆ:

ನಿಮ್ಮ ಸಂಘದ ಪ್ರಧಾನ ಕಾರ್ಯದರ್ಶಿಯಾದ ಬಿ.ವಿ. ಮಂಜುನಾಥ ಎಂಬುವವರು, ನನ್ನ ಸಂಸ್ಥೆಯಾದ ಮೆ. ಐಶ್ವರ್ಯ ಡೆವಲಪರ್ಸ್‌ನಲ್ಲಿ 10% ಲಾಭ ನಷ್ಟಕ್ಕೆ ಪಾಲುದಾರನಾಗಿದ್ದು, ವ್ಯವಹರಿಸುತ್ತಿರುವುದು ನಿಮ್ಮ ಗಮನಕ್ಕೆ ತರುತ್ತಿದ್ದೇನೆ. ನಿಮ್ಮ ಸಂಘಕ್ಕೆ ವಸತಿ ಬಡಾವಣೆ ನಿರ್ಮಿಸಿ ಕೊಡಲು ಐದು ಪ್ರತ್ಯೇಕ ಕರಾರುಗಳನ್ನು ನನ್ನ ಸಂಸ್ಥೆಯೊಂದಿಗೆ ಇಸವಿ 2005 ರಿಂದ 2013ರವರೆಗೆ ಮಾಡಿಕೊಂಡು ಬಂದಿರುತ್ತೇವೆ. ಹಾಗೆಯೇ ಈವರೆವಿಗೂ ಸರಿಸುಮಾರು 3500ಕ್ಕೂ ಹೆಚ್ಚು ನಿವೇಶನಗಳನ್ನು 400ಕ್ಕೂ ಹೆಚ್ಚು ಎಕರೆ ಭೂಮಿಯಲ್ಲಿ ನಿವೇಶನಗಳನ್ನು ವಿಪ್ರ ಬಂಧುಗಳಿಗೆ ರಚಿಸಿಕೊಟ್ಟಿರುತ್ತೇವೆ. ಐದು ಪ್ರತ್ಯೇಕ ಕರಾರುಗಳಲ್ಲಿ ತಿಳಿಸಿರುವಂತೆ ಪ್ರಾಜೆಕ್ಟ್ ನಂ.1, ಮೈಸೂರು, ಪ್ರಾಜೆಕ್ಟ್ ನಂ.2 ಮೈಸೂರು ಹಾಗೂ ಪ್ರಾಜೆಕ್ಟ್ ನಂ.1, ರಾಮನಗರ ಜಿಲ್ಲೆ, ಬಿಡದಿ ಹೋಬಳಿ, ಶ್ಯಾನಮಂಗಲ ಗ್ರಾಮದಲ್ಲಿ ಬಡಾವಣೆ ನಿರ್ಮಿಸಿ ಯಶಸ್ವಿಗೊಂಡಿರುತ್ತೇವೆ. ಪ್ರಾಜೆಕ್ಟ್ ನಂ.3 ಮೈಸೂರಿಗೆ ಬೇಕಾಗಿರುವ ಜಮೀನುಗಳನ್ನು ಈಗಾಗಲೇ ಖರೀದಿಸಿದ್ದು ಸದರಿ ಭೂಮಿಗಳ ಅನ್ಯಕ್ರಾಂತದ ಕೆಲಸಗಳು ಪ್ರಗತಿಯಲ್ಲಿ ಇರುತ್ತದೆ. ಇದೇ ರೀತಿ ಪ್ರಾಜೆಕ್ಟ್ ನಂ.2 ಬಿಡದಿ ಹೋಬಳಿಗೆ ಸಂಬಂಧಿಸಿದಂತೆ ವಸತಿ ಬಡಾವಣೆಗೆ ರಚಿಸಲು ಅಗತ್ಯವಿರುವ ಭೂಮಿಯನ್ನು ಈಗಾಗಲೇ ಖರೀದಿಸಿದ್ದು ಸದರಿ ಭೂಮಿಗಳನ್ನು ಭೂ ಉಪಯೋಗ ಬದಲಾವಣೆಗೆ ನಗರಾಭಿವೃದ್ಧಿ ಇಲಾಖೆಗೆ ಮಂಡಿಸಿದ್ದು, ಭೂ ಉಪಯೋಗದ ಬದಲಾವಣೆಯ ಆದೇಶವನ್ನು ಹಡೆದುಕೊಂಡಿದ್ದು, ರಾಮನಗರ ಜಿಲ್ಲೆಯ ಮಾನ್ಯ ಜಿಲ್ಲಾಧಿಕಾರಿಗಳ ಕಛೇರಿಯಲ್ಲಿ ಸದರಿ ಭೂಮಿಗಳನ್ನು ವಸತಿ ಉಪಯೋಗಕ್ಕಾಗಿ ಭೂ ಪರಿವರ್ತನೆ ಮಾಡಿಕೊಡಬೇಕೆಂದು ಮನವಿ ಸಲ್ಲಿಸುತ್ತಿದ್ದು, ಈ ವಿಚಾರವು ಪ್ರಗತಿಯಲ್ಲಿ ಇರುತ್ತದೆ.

ವಿಷಯ ಹೀಗಿದ್ದು ಈ ವ್ಯವಹಾರಗಳು ಯಾವುದೇ ತೊಂದರೆಗಳಿಲ್ಲದೆ ಇಸವಿ 2005 ರಿಂದ 2016ರವರೆಗೆ ಸರಾಗವಾಗಿ ನಡೆದುಕೊಂಡು ಬಂದಿರುತ್ತದೆ. ಇಸವಿ 2016ರಲ್ಲಿ ಮೇಲೆ ತಿಳಿಸಿದ ಬಿ.ವಿ.ಮಂಜುನಾಥ ಹಾಗೂ ಅಧ್ಯಕ್ಷನಾಗಿರುವ ಪ್ರಗತಿ ಗೋಪಾಲಕೃಷ್ಣರವರುಗಳು ಇದ್ದಕ್ಕಿದ್ದ ಹಾಗೆ ನನ್ನ ಹೆಸರಿಗೆ ನೋಟೀಸ್‌ಗಳನ್ನು ಜಾರಿಮಾಡಲು ತುರುಮಾಡಿದ್ದು, ಯಾವುದೇ ಹುರುಳಿಲ್ಲದ ಆರೋಪಗಳನ್ನು ಮಾಡಿರುತ್ತಾರೆ. ಸದರಿ ನೋಟೀಸ್‌ಗಳಿಗೆ ನಾನು ಕಾನೂನುಬದ್ಧವಾಗಿ ಪ್ರತ್ಯುತ್ತರ ನೋಟೀಸ್‌ಗಳನ್ನು ಅವರುಗಳಿಗೆ ಕಳುಹಿಸಿರುತ್ತೇನೆ.

ವಿಷಯ ಹೀಗಿರುವಾಗ ಸದರಿ ಬಿ.ವಿ.ಮಂಜುನಾಥ ಹಾಗೂ ಪ್ರಗತಿ ಗೋಪಾಲಕೃಷ್ಣರವರುಗಳು ತಮ್ಮ ಸ್ವ-ಹಿತಾಸಕ್ತಿಗಳನ್ನು ಕಾಯ್ದುಕೊಳ್ಳಲು ಬೇರೆ ಬಡಾವಣೆಯ ಅಭಿವೃದ್ಧಿದಾರರೊಂದಿಗೆ ಹೊಸ ಒಡಂಬಡಿಕೆಗಳನ್ನು ಮಾಡಿಕೊಂಡಿದ್ದು, ಮೈಸೂರಿನಲ್ಲಿ ಪ್ರಾಜೆಕ್ಟ್ 2ರಲ್ಲಿ ಭಾಗಶಃ ಬಾಕಿಯಿರುವ ಹಾಗೂ ಬಿದದಿ ಹೋಬಳಿಯಲ್ಲಿ ಪ್ರಾಜೆಕ್ಟ್ 2 ಗಳಿಗೆ ಸಂಘದ ಸದಸ್ಯರುಗಳಿಂದ ಶೇಖರಿಸಿಟ್ಟಿದ್ದ ಕೋಟ್ಯಾಂತರ ಹಣವನ್ನು ಹೊಸ ಯೋಜನೆಗಳಿಗೆ ಪಲ್ಲಟಿಸಿರುವುದು ನನಗೆ ದಾಖಲೆ ಸಮೇತವಾಗಿ ಮನದಟ್ಟಾಗಿರುತ್ತದೆ. ನಿಮ್ಮಗಳ ತಿಳುವಳಿಕೆಗೆ ತರಬೇಕಾದ ವಿಚಾರವೆಂದರೆ, ಸದರಿ ಬಾಕಿ ಉಳಿದಿರುವ 2 ಯೋಜನೆಗಳಿಗೆ ಅತ್ಯಲ್ಪ ಹಣವನ್ನು ಮುಂಗಡವಾಗಿ ನನಗೆ ನೀಡಿದ್ದು, ಸದರಿ ಮೊತ್ತದಲ್ಲಿ ನಾನು ಬಡಾವಣೆ ನಿರ್ಮಿಸಿಕೊಡಲು ಸಾಧ್ಯವಾಗಿರುವುದಿಲ್ಲ. ಈ ಮೇಲೆ ತಿಳಿಸಿದ ಇಬ್ಬರು ವ್ಯಕ್ತಿಗಳು ಕೇವಲ ತಮ್ಮ ಸ್ವಹಿತಾಸಕ್ತಿಗಳನ್ನು ಕಾಯ್ದುಕೊಳ್ಳಲು ನನ್ನ ಹಾಗೂ ನನ್ನ ಸಂಸ್ಥೆಯ ಮೇಲೆ ಇಲ್ಲಸಲ್ಲದ ಆರೋಪಗಳನ್ನು ಮಾಡಿಕೊಂಡು ನಿಮ್ಮಗಳ ಹಿತಾಸಕ್ತಿಯನ್ನು ಬಲಿಗೊತ್ತಿ ಸದರಿ ಬಾಕಿ ಉಳಿದಿರುವ ಯೋಜನೆಗಳನ್ನು ನೆನೆಗುದಿಗೆ ಬೀಳಿಸಿದ್ದು, ನಮ್ಮ ನಡುವೆ ಈ ಮೊದಲು ಆಗಿದ್ದಂತಹ ಐದು ಪ್ರತ್ಯೇಕ ಕರಾರುಗಳನ್ನು ಕಾನೂನಿಗೆ ವಿರುದ್ಧವಾಗಿ ರದ್ದುಗೊಳಿಸಿರುತ್ತಾರೆ. ಈ ಕ್ರಮವನ್ನು ನಾನು ಮೈಸೂರಿನ ಜಿಲ್ಲಾ ನ್ಯಾಯಾಧೀಶರ ಘನ ನ್ಯಾಯಾಲಯದಲ್ಲಿ A.A. No.09/2017 ರ ಅಡಿಯಲ್ಲಿ ಪ್ರಶ್ನಿಸಿದ್ದು, ಸದರಿ ಪ್ರಕರಣವು ಚಾರ್ಟಿಯಲ್ಲಿರುತ್ತದೆ.

ಸದರಿ ಬಿ.ವಿ. ಮಂಜುನಾಥರವರು ನಮ್ಮ ಸಂಸ್ಥೆಯಾದ "ಐಶ್ವರ್ಯ ಡೆವಲಪರ್ಸ್"ನಿಂದ ಸರಿಸುಮಾರು 11.5 ಕೋಟಿ ರೂಪಾಯಿಗಳನ್ನು ಓವರ್‌ಡ್ರಾಯಿಂಗ್ಸ್ ಮೂಲಕ ಪಡೆದುಕೊಂಡಿದ್ದು, ಈವರೆವಿಗೂ ಹಿಂದಿರುಗಿಸಿರುವುದಿಲ್ಲ ಹಾಗೂ ನಿಮ್ಮ ಸಂಘ ಮತ್ತು ಇನ್ನೂ ಅನೇಕ ಯೋಜನೆಗಳಿಗೆಂದು ನಮ್ಮ ಸಂಸ್ಥೆಯಿಂದ ಹಣ ಹೂಡಿ ಬಿ.ವಿ.ಮಂಜುನಾಥರವರ ಹೆಸರಿನಲ್ಲಿ ಖರೀದಿಸಲ್ಪಟ್ಟ ಸುಮಾರು 65 ಎಕರೆ ಜಮೀನನ್ನು ಸಹ ಸದರಿ ಬಿ.ವಿ.ಮಂಜುನಾಥರವರು ನಮ್ಮ ಸಂಸ್ಥೆಯ ಸುಪರ್ದಿಗೆ ನೀಡಿರುವುದಿಲ್ಲ. ಸದರಿ ಹಣಕ ಹಾಗೂ ಕೋಟ್ಯಾಂತರ ರೂಪಾಯಿ ಬೆಲೆಬಾಳುವ ಭೂಮಿಗಳನ್ನು ನಾವು ಮರಳಿ ಪಡೆಯಲು ಸೂಕ್ತ ಕಾನೂನು ಕ್ರಮ ಜರುಗಿಸುತ್ತಿದ್ದೇವೆ.

ನಾನು ಹಾಗೂ ನನ್ನ ಸಂಸ್ಥೆ ಈಗಲೂ ಸಹ, ಅಖಿಲ ಕರ್ನಾಟಕ ಬ್ರಾಹ್ಮಿನ್ಸ್ ವೆಲ್‌ಫೇರ್ ಸೊಸೈಟಿಯ ಸದಸ್ಯರುಗಳಾದ ನಿಮ್ಮಗಳಿಗೆ ಈಗಲೂ ಸಹ ಬಾಕಿ ಉಳಿದಿರುವ 3 ಯೋಜನೆಗಳನ್ನು ಪೂರ್ಣಗೊಳಿಸಿಕೊಡಲು ಸಿದ್ಧರಿರುತ್ತೇವೆ. ದಿನಾಂಕ: 12.08.2017ರಂದು ನಿಮ್ಮ ಸಂಘದ ಅಧ್ಯಕ್ಷರು ಯಾವುದೇ ಪೂರ್ವ ಮಾಹಿತಿ ಇಲ್ಲದೆಯೇ ಒಂದು ಪತ್ರಿಕಾ ಪ್ರಕಟಣೆಯನ್ನು ಕನ್ನಡ ಪ್ರಭಾ ದಿನಪತ್ರಿಕೆಯಲ್ಲಿ ಪ್ರಕಟಣೆ ಹೊರಡಿಸಿದ್ದು, ಸದರಿ ಪ್ರಕಟಣೆಯಲ್ಲಿ ನಮೂದಿಸಿರುವ ಮಾಹಿತಿಗಳೆಲ್ಲವು ಸುಳ್ಳಾಗಿರುತ್ತದೆ. ಸದರಿ ಜಮೀನುಗಳ ಮೇಲೆ ಯಾವುದೇ ಮಾಲೀಕತ್ವದ ಹಕ್ಕಿಲ್ಲದೆ, ಪ್ರಕಟಣೆ ಹೊರಡಿಸಿದ್ದು, ಪೇಚಿಗೆ ಸಿಲುಕಿರುತ್ತಾರೆ. ಸದರಿ ಅಧ್ಯಕ್ಷರ ಮೇಲೆ ಸುಳ್ಳಿನ ಪ್ರಕಟಣೆ ಕುರಿತು ಘನ ನ್ಯಾಯಾಲಯದಲ್ಲಿ ಮಾನ ನಷ್ಟ ಮೊಕದ್ದಮೆ ಹೂಡಲು ಹಕ್ಕನ್ನು ಖಾಯ್ದಿರಿಸಿಕೊಂಡಿರುತ್ತೇನೆ.

ಈ ನನ್ನ ಪ್ರಕಟಣೆಯ ಸತ್ಯಾಸತ್ಯತೆಯನ್ನು ಸಾಬೀತುಪಡಿಸಲು ನಾನು ಯಾವುದೇ ವೇದಿಕೆಯ ಮುಂದೆ ಹಾಜರಾಗಲು ಸಿದ್ಧನಿರುತ್ತೇನೆ. ನಿಮ್ಮಗಳ ಗಮನಕ್ಕೆ ತರಬಯಸುವ ಮತ್ತೊಂದು ವಿಚಾರವೇನೆಂದರೆ, ನಿಮ್ಮ ಸಂಘದ ಪ್ರಧಾನ ಕಾರ್ಯದರ್ಶಿ ಹಾಗೂ ಅಧ್ಯಕ್ಷರು, ತಮಗೆ ಸುಳ್ಳು ಮಾಹಿತಿಗಳನ್ನು ನೀಡುತ್ತಿದ್ದು, ಕಾಲಹರಣ ಮಾಡುತ್ತಿದ್ದು ನಿಮ್ಮಗಳ ಹಿತಾಸಕ್ತಿಯನ್ನು ಕಡಗಣಿಸಿ, ತುಂಬಾ ದೂರದ ಪ್ರದೇಶದಲ್ಲಿ ನಿವೇಶನಗಳನ್ನು ನೀಡಲು ಹಾಗೂ ಅವರುಗಳ ಸ್ವಹಿತಾಶಕ್ತಿ ಕಾಪಾಡಲು ಯತ್ನಿಸುತ್ತಿದ್ದಾರೆ. ಈ ಪ್ರಕಟಣೆಯಲ್ಲಿ ತಿಳಿಸಿರುವ ಮಾಹಿತಿಗಳು ಸತ್ಯವೆಂದು ಈ ಮೂಲಕ ಪ್ರಮಾಣೀಕರಿಸುತ್ತಿದ್ದೇನೆ. ನೀವುಗಳು ಯಾವುದೇ ಸಮಯದಲ್ಲಿ ನನ್ನ ಕಛೇರಿಗೆ ಬಂದು ನನ್ನಲ್ಲಿರುವ ದಾಖಲೆಗಳನ್ನು ಪರಿಶೀಲಿಸಬಹುದಾಗಿದೆ ಹಾಗೂ ನನ್ನನ್ನು ನನ್ನ ದೂರವಾಣಿಯ ಸಂಖ್ಯೆಗೆ ಕರೆಮಾಡಿ ಸಂಪರ್ಕಿಸಬಹುದಾಗಿದೆ. ವಿಪ್ರ ಬಂಧುಗಳಿಗೆ ನ್ಯಾಯಯುತವಾಗಿ ನೀಡಬೇಕಾಗಿರುವ ನಿವೇಶನಗಳನ್ನು ನೀಡಲು ನಾವುಗಳು ಇಂದಿಗೂ ಬದ್ಧರಾಗಿರುತ್ತೇವೆ.
